

*The **Positive Place For Kids***

BOYS & GIRLS CLUBS
OF WHATCOM COUNTY

IN CASE OF INCLEMENT WEATHER OR POWER OUTAGE

We run on the same schedule as the school. We trust the Blaine School District regarding their concerns for road safety. We do not want to put a Club member or staff member at risk attempting to get to the Club in what the school has determined to be unsafe conditions. If the Blaine schools are closed, we are closed. If they are running one or two hours late, our Early Bird Program will begin one or two hour/hours late. If school lets out early due to snow, our after school program will be cancelled.

Please listen to KGMI for updates on school closures and check their website for information on the Club during inclement weather. We update our voicemail as well.

For the safety of our Club members, as well as the Club Staff, if the power is out, the Club will not be open. A power outage means that there is no heat, phone, service lights or electricity which prevents us from being able to safely and appropriately run our daily programs.

Thank your for your understanding
as our first concern is the safety of the kids.

Please check our voice mail for regular updates
