## **CHANGES IN THE MORNING PROGRAM**

**Beginning October 1<sup>st</sup>, we will be switching to a punch card system for the morning program.**

- Punch cards can be purchased for \$75 and are valid for 20 visits. Drop in rates will still remain \$10 per day for our 2 hour program and \$15 for days when our morning program runs for 3 hours (such as holidays & LIDs)
- Punch cards will be held at the Club. When they are full a letter along with the completed card will be sent home. Payment must be made upfront in order to participate in this program.
- Only siblings may share a card. There will not be a discount when multiple cards are purchased.
- Cards expire August 31<sup>st</sup>. One card could last the entire year if your child does not attend on a regular basis.
- Unused punches will be forfeited.
- Each visit, regardless of the amount of time spent, will be counted as one punch on the card.

**Early Bird Cards will be available for sale beginning Tuesday September 23<sup>rd</sup>.**
