
Inclement Weather Policy: When a School District is closed due to weather, the corresponding Club will also be closed. When the school district is delayed in the morning, a Club morning program will either be closed, or will be delayed the same amount of time the school is delayed. (i.e., if the district opens an hour late, the Club's morning program will open an hour late.) It is important to check the voicemail of the individual Club regarding morning program cancellation. In the event of poor weather, we urge you to check our website or call the Club to get the latest information. Clubs may need to cancel programs based on availability of power, conditions in the immediate vicinity of the Club, and other factors not related to school district closures.
